ENGINEERED BY THE EXPERTS

When you set out in an Auto-Trail, you can travel in comfort and confidence, safe in the knowledge that your motorhome has been manufactured to the highest possible standard by some of the most experienced engineers in the industry.

Our unique Cube body construction technique, combined with the latest durable materials, allows us to use our extensive experience to create some of the most reliable and best loved motorhomes on the road.

Read on to discover your perfect Auto-Trail.

cube CONSTRUCTION

At Auto-Trail we only make motorhomes and over the last 36 years we have developed our unique, innovative, yet proven construction technique that delivers less road noise and more resistance to vibration.

Our 'Cube' construction process involves building our habitation units on air suspended platforms, separate to the Fiat or AL-KO chassis. Our ability to join our furniture, walls and roofs together in this manner provides a gapless interior and a reduction in accidental damage caused when working in a confined space. The resulting 'Cube' structure is extremely rigid and can be lifted and fixed onto the chassis in one piece. This is then bonded in place using a tried and tested Forgeway structural adhesive.

New for 2019, all our bonded composite panels now consist of a 35mm 'Styrisol' internal core. This extruded polystyrene provides 12% more thermal efficiency than the industry standard expanded polystyrene traditionally used in the construction of motorhome walls and roofs.

Every Auto-Trail is finished with scratch and hail resistant GRP, which will last for many years.

/ COMPOSITE BODY CONSTRUCTION

1. Extruded 'Styrisol' core
2. Embossed wall covering
3. Extruded PVC
4. Impact resistant GRP outer skin
5. Hard-wearing vinyl floor covering
6. Hard-wearing panel
7. Styrofoam core
8. PVC outer skin
9. Polyurethane lower rail
10. Bespoke aluminium extrusion

WHY AUTO-TRAIL

/ A SOLID REPUTATION

Auto-Trail has more than 36 years' experience creating award-winning motorhomes. Our unrivalled understanding, ground-breaking construction techniques and top-quality materials combine to create our range of consistently desirable motorhomes.

/ UNRIVALLED CHOICE

We believe that you shouldn't have to compromise on your perfect motorhome. That's why Auto-Trail offers an extensive range of models and layouts to suit every lifestyle and taste.

/ YEAR ROUND COMFORT

Adventure doesn't stop when the weather changes. Full grade 3 insulation, efficient heating and air conditioning create the perfect environment keeping you warm in winter and cool in summer.

/ DISTINCTIVE STYLING

Inside and out, your Auto-Trail motorhome has been carefully designed to look stunning and perform perfectly. With contemporary automotive touches, sporty graphics and desirable interior design, every journey will turn heads.

/ COMPREHENSIVE SPECIFICATION

Adventure doesn't mean compromise. From USB ports to microwave ovens, air conditioning to spacious storage, our attention to detail means every Auto-Trail motorhome comes with everything you need to live life to the full every day.

/ SUPPORT YOU CAN COUNT ON

You can enjoy every adventure knowing that your Auto-Trail is covered by a 5-year habitation warranty, as well as a 10-year body construction integrity warranty. Should the worst happen, our NCC Approved workshop and accident repair centre will soon have you back on the road.

CREATE YOUR OWN

Want to create a luxurious motorhome that is the perfect match for you and your lifestyle? Whether you are a family snorkelling in Studland Bay or a couple tackling the Three Peaks Challenge, it's important you have a warm and cosy motorhome to return to that is perfectly suited to you and your activities.

Here at Auto-Trail we know it takes a lot of time to research a model that specifically suits your needs, which is why we want to make it simple and easy for you. Auto-Trail has developed a straightforward, user friendly solution that makes finding your perfect model an enjoyable and simple process.

An industry first, Auto-Trail Creator is an added feature on Auto-Trail's website that helps you to decide which motorhome is your perfect match. Using the filters, you can decide on your preferred price, the berths, number of seatbelts and gross vehicle weight, to then focus on the models that are best suited to you.

Once you have found the motorhome you love, simply follow the process to add and choose options, from engine upgrades and media packs, to soft furnishings and leisure batteries.

Visit www.auto-trail.co.uk/creator to start creating yours!

2019 EXPERIENCE MORE

Get ready to experience more than ever before with the 2019 range of motorhomes from Auto-Trail.

MORE CHOICE

Whether you spend your leisure time hiking in the Lake District, soaking up the culture in city museums, cycling through stunning woodland or creating new culinary delights on the BBQ, there is an Auto-Trail for you.

With five stunning new models, there are now even more options to choose from, so you will be sure to find the motorhome that matches your unique personality and lifestyle.

MORE LUXURY

Our agile Tribute compact range is versatile enough to use every day, but still offers everything you need for an unforgettable getaway. And if you are looking for unrivalled luxury, our flagship Frontier range offers a stylish, elegant and comfortable sanctuary from which to explore every corner of the world.

Whether you like to travel solo, with a partner, family or friends, we have layouts that can accommodate everyone with enough

storage for any leisure activity and complete with everything you need to create a lifetime of memories.

Discover your perfect Auto-Trail today and get ready to experience more.

TRIBUTE COMPACTS

THE ULTIMATE ADVENTURE

/ A JOURNEY OF DISCOVERY AND ADVENTURE /

Resilient body construction.
Refined interior detailing.

The Tribute compact collection is one of Auto-Trail's most iconic and dynamic ranges, making it ideal for avid festival goers and fanatical city explorers alike.

Ranging from 5.99m to 6.36m in length, Tribute compacts are some of the lightest and most agile leisure vehicles on the market, making day-to-day touring extremely straightforward and a pleasure to drive.

Experience enhanced design and specification this season with our exclusive 'GT' pack, which is now standard throughout the Tribute range and includes four high-gloss grey and polished alloy wheels, a 100 watt solar panel and an essential wind out awning.

SMALL YET PERFECTLY FORMED

Space saving storage solutions mean you'll never be short of a home for every utensil and gadget you need to whip up a tasty meal when you're on the road.

STRIVE FOR PERFECTION

All of our furniture and lockers are handmade to create strong, solid, durable furniture you can rely on. Streamlined, modern locker doors create stylish storage for all your belongings.

SIMPLY BEAUTIFUL

The stylish and fresh 'Tilia' upholstery gives a modern finish to your Tribute. It's practical and durable to ensure that you can make the most of every day.

IMMACULATE FINISH

Designed for every day and built for living, there is attention to detail in every aspect of the Tribute compact range. A high-quality finish brings luxury wherever you go.

DRIVE YOUR WAY

Stylish alloy wheels combine good looks with superb road handling ability, giving the Tribute compact its renowned agility and manoeuvrability.

COOL DESIGN

Little features can make a huge difference – like the refrigerator door catches which keep the contents of your fridge secure on the road.

TRIBUTE COACHBUILT

THE BEST OF EVERYTHING

715

/ REDISCOVER THE JOY OF DRIVING /

Straightforward, safe and spacious.

The refreshed 2019 Tribute coachbuilt range delivers all the specification and features necessary for the perfect family getaway. Featuring a diverse scope of 7 models, each Tribute has a nature of its own, giving you a broad choice when it comes to selecting the perfect layout for your lifestyle.

There's no need to compromise when it comes to drivability or family fun. Tributes contain all the roomy interior features you need, including functional fitted kitchens and well-equipped washrooms, with all the driving essentials you could desire.

New for 2019, we welcome the 736 G, which features a large 1.15m tall rear garage. The added space at the rear enables you to travel with bulky sporting and dining equipment with ease.

FREEDOM TO BE YOURSELF

Easily transport all the things that make your holiday complete; the spacious garage means you can travel without compromise and enjoy life's little luxuries.

EXPLORE EVERY DAY

When you have the urge to explore on two wheels, the pre-fitted cycle rails mean adding a cycle rack takes just seconds. And when you're not taking bikes, remove it to reduce weight.

ENJOY THE OUTDOORS

Alfresco dining? Relaxing with a book? We've got you covered with the fitted awning. It opens in a matter of seconds creating an enjoyable, sheltered outdoor space.

IMMACULATE FINISH

Chic, comfortable and practical, our 'Tilia' upholstery creates a bright and welcoming space while being tough enough to stand up to rigours of outdoor living.

YOU'RE IN CONTROL

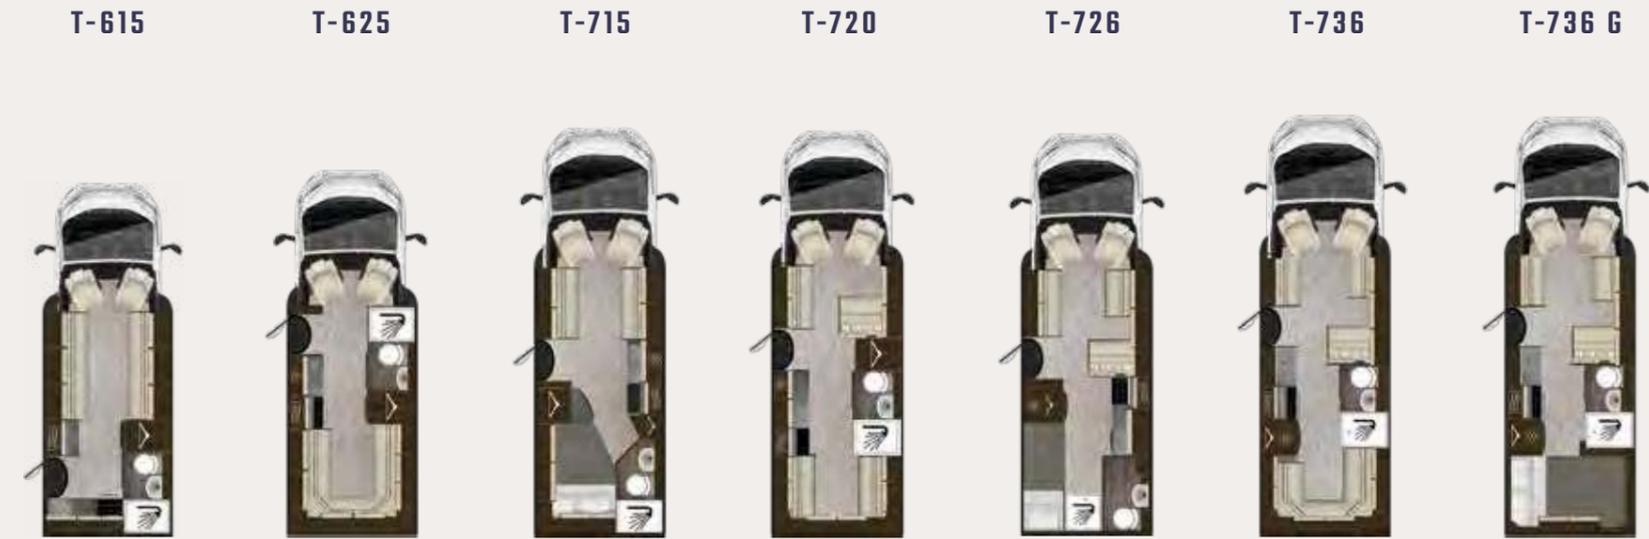

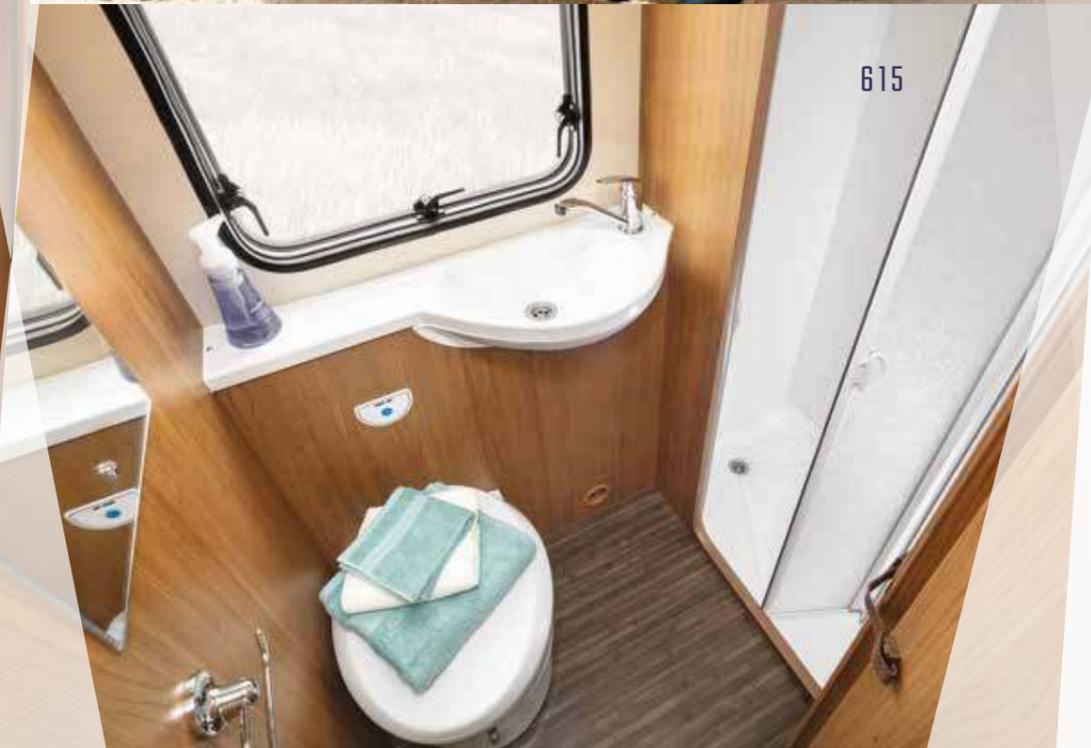

Our intuitive control panel lets you take care of everything from lighting, battery life and water all in one place, giving you more time to enjoy the things you love.

ATTENTION TO DETAIL

The skilled craftsmanship of every handmade piece of furniture, combined with streamlined modern designs creates a desirable living space you'll love to return to.

V-LINE

KEEPING YOU IN CONTROL

636 SE

/ SMALL ON SIZE, BIG ON ADVENTURE /

Dynamic and agile on every adventure.

The V-Line range incorporates a beautifully sculpted design with stylish and contemporary graphics. Performance and attention to detail is paramount in this luxury range; it incorporates the perfect combination of smooth control and sharp precision for those hard to tackle, twisty country roads.

2019 welcomes the new 634 SE, a 6.36m vehicle that features a sleek, full height fridge freezer, allowing you to store as much fresh food as you desire for those longer tours of the British Isles.

Four of this year's V-Line models are available with the exclusive 'Sports Pack' featuring a huge U-shaped rear lounge, GRP back panel, bow fronted locker doors and flush fitted side windows, enhancing the dynamic feel of your motorhome.

636 SE

610 SE

BRIGHT IDEAS

Contemporary automotive design and unbeatable performance come together in the powerful headlights, with daytime running lights for greater safety on the road.

ATTENTION TO DETAIL

Fresh and modern, the 'Viola' upholstery makes the perfect canvas for you to create your own unique interior by adding your choice of accessories.

PRACTICAL YET FLEXIBLE

Having a place for everything makes life on the road easier and ensures you can make the most of uncluttered living space as you soak up the sights.

ESSENTIAL FEATURES

The ultimate touring experience calls for sleek, innovative design to make sure every detail is top-quality, practical and stunning to look at.

CHILLED ENVIRONMENT

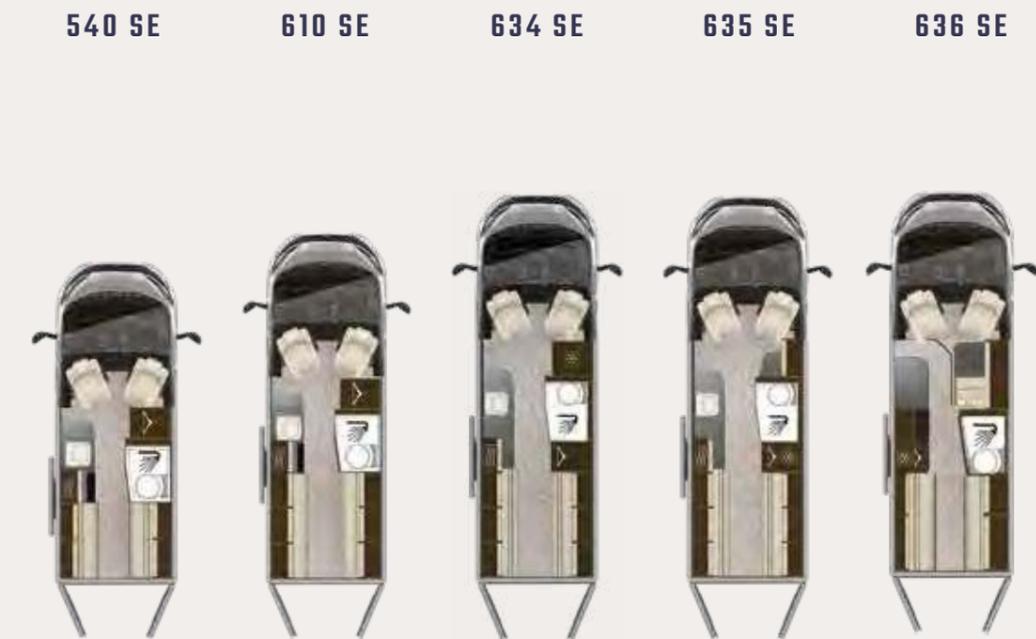

The combination of a sleek, contemporary fridge freezer and fitted microwave oven give you the convenience to enjoy hearty and nourishing food on any adventure.

REFINED DESIGN

The all-new 6.5" touch screen DAB head unit with European sat nav and colour reversing camera gives you information and entertainment at your fingertips.

IMALA

MAKE A STATEMENT

/ THE PERFECT HOLIDAY ON WHEELS /

Blending the thrill of adventure with absolute elegance.

The Imala range has been exquisitely crafted to bestow travellers with all the features needed for a romantic weekend retreat or a fun-filled family holiday.

There's no doubt about it, you'll love the luxury and spaciousness that the Imala has to offer. If you're looking for an affordable motorhome that can not only transport you to the most impressive landscapes, but delivers home comforts on the interior, then an Imala is the one for you.

As an all-rounder, the Imala range is versatile when it comes to sleeping dynamics. With seven different sleeping variations you'll be certain to discover a layout that works for you and your family, ensuring you always feel relaxed in your home from home.

MADE BY EXPERTS

More than 36 years of manufacturing experience goes into every Auto-Trail motorhome. Our experienced team of designers and engineers use only the best materials and construction techniques.

DRIVE YOUR WAY

Add a splash of sunshine to your day with the cheery and colourful 'Iberis' upholstery scheme. Practical, neutral seats and floors are highlighted with vibrant cushions and curtains.

AN ALL-ROUND VIEW

You don't need eyes in the back of your head with the Imala's full colour reversing camera. It makes manoeuvring easier than ever wherever you decide to explore.

ALL FIRED-UP

The handy external barbeque point makes outdoor dining a breeze – no more coaxing charcoal to life, just plug in and get cooking!

CURVES IN THE RIGHT PLACES

Curved overhead lockers not only add to the stylish interior of the Imala, but also create more headroom without compromising on all-important storage space.

ILLUMINATING INNOVATION

Now there's a bright idea; the integrated awning light will help you enjoy extended evenings outside and make it safer entering and leaving your motorhome in the dark.

AUTO TRAIL

TRACKER

CREATED TO EXCITE

/ INTELLIGENCE AT YOUR FINGERTIPS /

Clever functionality meets a compelling touring experience.

At a first glance you'll find the Tracker range is one with a home-like atmosphere; its captivating and versatile interiors create a warm, relaxed ambience throughout the entire collection.

New for 2019, we welcome the Tracker EB, a French bed model with a lavish washroom at the rear. Amongst the new EB's impressive features is a modern L-shaped kitchen, a huge walk-in shower and a spacious front lounge area.

Every aspect of the Tracker range reflects workmanship and remarkable attention to detail. Alloy wheels are now standard and the upgraded 6kW combi boiler will heat up your motorhome to your desired temperature within minutes.

WARM WELCOME

Feel at home as soon as you step through the door. Updated 'Tansy' upholstery creates a cosy atmosphere perfect to share with family or friends.

ICONIC DESIGN

It is the attention to detail that makes all the difference. For 2019 all Tracker models will have new-design alloy wheels as standard.

TIME FOR BED

Our new advanced pull-out bed system is smooth and simple to operate meaning transforming living space into a welcoming bed takes no time at all.

EXQUISITE CRAFTING

Attention to detail is at the heart of every Auto-Trail motorhome. The exclusive embroidered captains seats swivel for convenience and are supportive for long journeys (leather cost option).

WELCOMING WARMTH

Travel for more of the year in cosy comfort whatever the weather. The 6kW heating system is efficient enough to heat your motorhome in minutes. No more cold toes.

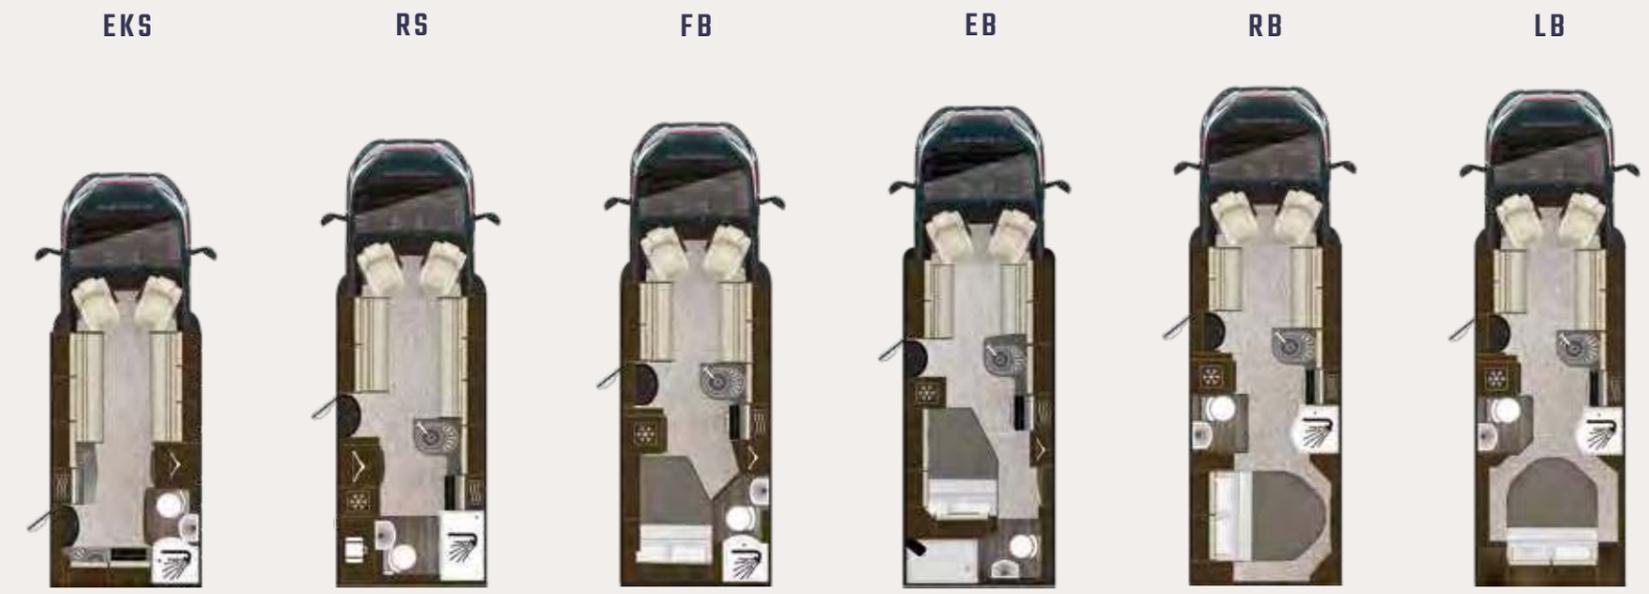

COOKING ON GAS

Both 230V electric and gas hob, an efficient oven, combined with a streamlined fridge and fitted microwave, means keeping the family fuelled-up and ready for adventure is simple.

APACHE

INTELLIGENCE LIES WITHIN

/ MOVES YOU,
EVEN WHEN IT'S
STANDING STILL /

Your perfect partner on the road.

The Apache range has only three models in the Auto-Trail collection, yet delivers versatility when it comes to berths and layouts. Whether a two or a six berth, everywhere you look you'll find premium-class design that offers a level of creature comforts you've not experienced before.

Built for extended touring demands; an integrated awning, solar panel and updated leisure battery is incorporated into the Apache range as standard, perfect for those who love spending time off grid, wild camping as well as on more traditional adventures.

Apache is all about setting new standards in design and specification; 2019 brings you new alloy wheels, 6kW combi heating and a high performance electric and gas cooker, so you always have the cosy elements of home when on your travels.

634

STYLISH SHELTER

An integrated wind-out awning gives you shade and shelter when you want it. Make the most of every pitch and enjoy time in the open air without getting hot and bothered.

IMMACULATE FINISH

Top quality appliances including a fully-fitted stainless steel microwave, new high-performance cooker and enhanced Thetford fridge ensure fuss-free dining at every destination.

THOROUGHLY THOUGHT THROUGH

Clever, ergonomic designs make the best use of every inch of space, meaning you have plenty of stylish storage and homes for everything you need.

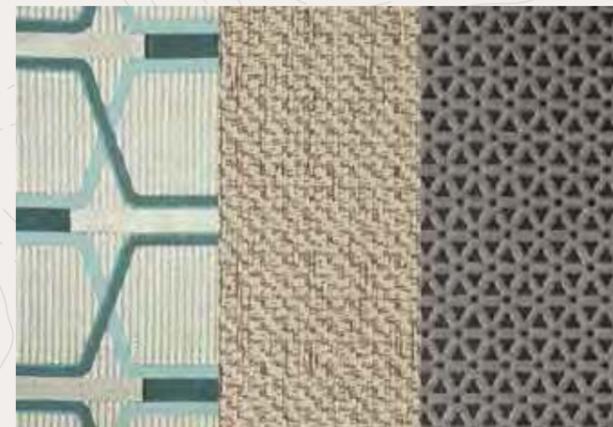

FINISHING TOUCHES

Turn heads wherever you go. The Apache's distinctive exterior design includes striking graphics, automotive design touches and desirable alloy wheels.

CONTROL YOUR WORLD

Precision control at your fingertips. The Auto-Trail control panel makes it simple to manage everything in your motorhome, from water levels to interior and exterior lighting.

THE EPITOME OF COMFORT

Channelling mid-century geometric Scandinavian design, the 'Anise' upholstery scheme gives a contemporary feel with a luxurious finish creating a relaxing retreat.

FRONTIER

THE ART OF LUXURY

COMANCHE HB
(Leather cost option)

/ A PHILOSOPHY OF COMFORT AND DESIRE /

A significant expression of luxury.

Auto-Trail's flagship range is one of the most momentous ranges on the market. Full of inspirational design, precision engineering and forward-thinking technology; making a statement on the road will be effortless.

The Frontier range is a driving force, which puts performance and control at the forefront. Built on the AL-KO chassis and powered by either a 147bhp or a 177bhp engine, exploring the Scottish Highlands will be no problem for the mighty Frontier.

New for 2019, the Frontier range now offers a high bed (HB) addition to both Delaware and Comanche, leaving you with more storage than ever before in its 1.15m high garage. Every inch of the Frontier motorhome is designed with elegance and comfort in mind, exuding an ambience of premium luxury from head to toe.

LUXURY REINVENTED

Fresh, modern and inspiring, the luxury 'Freesia' upholstery brings a breath of the outdoors into your Frontier, setting the scene for a relaxing getaway.

A SPACE FOR EVERYTHING

Cleverly designed storage throughout ensures that there is not only room for all your essentials, but more importantly for life's luxuries too.

INNOVATION EVERYWHERE

As well as the latest LED lighting clusters on the exterior, all 2019 Frontiers come with a new high-performance cooker, and enhanced pull-out bed mechanism.

CONTROLLED COMFORT

The Alde control panel delivers precision control to your fingertips. Wherever your travels take you, it's simple to programme and manage your heating and water.

A PLACE FOR EVERYTHING

Staying organised is the key to relaxing travels. The ample storage spaces include large, soft-close drawers in the kitchen area to accommodate pots and pans.

HOMEMADE ON THE ROAD

The high-quality Thetford, flush fitting four ring electric and gas hob with full oven, grill and built in extractor, gives you the flexibility to cook up a feast for family and friends.

MY AUTO-TRAIL

/ WHAT IS 'MY AUTO-TRAIL'?

'My Auto-Trail' is an easy to use online portal where customers of a 2019 Tracker, Apache or Frontier can manage and monitor the status of their motorhome remotely. 'My Auto-Trail' gives you the ability to locate, monitor and even see the historical data of your vehicle.

/ 'MY AUTO-TRAIL' HAS 3 MAIN FEATURES

Receive regular alerts - Set up SMS or email alerts and receive information about the status of your motorhome on a regular basis.

Check your vehicle levels - Receive a clear indication of your vehicle's current status, so you always know the condition of your motorhome even if you're not physically inside.

Location tracker - Check the location of your motorhome every 6 hours and see the location of all Auto-Trail approved dealer workshops.

AUTO-TRAIL CONNECT

/ WHAT IS 'AUTO-TRAIL CONNECT'?

'Auto-Trail Connect' is a Thatcham CAT 6 approved tracking system recognised by UK insurance providers. You no longer need to worry about your motorhome being stolen, by adding this annual subscription onto your 'My Auto-Trail' account you can be confident that your motorhome is safe and can be instantly tracked if the worst was to happen.

/ THE BENEFITS OF 'AUTO-TRAIL CONNECT'

'Auto-Trail Connect' is designed to give our customers the opportunity to reduce their insurance premium and receive complete peace of mind. If your motorhome has been moved without ignition from the keys, we can instantly locate the whereabouts of your vehicle.

/ 'AUTO-TRAIL CONNECT' FEATURES

- ✓ Thatcham CAT 6 approved
- ✓ Proactive tracking
- ✓ European coverage
- ✓ Law enforcement liaison
- ✓ Keep your Auto-Trail safe
- ✓ Reduce insurance costs
- ✓ Ensure peace of mind

tyco SPONSORSHIP

Auto-Trail has been proud to continue its support of the Tyco BMW Motorrad team in 2018, supplying them with a bespoke Frontier Comanche, modified specifically to suit the needs of a British Superbike rider.

Built on the market-leading Fiat Ducato platform, with an uprated 5000kg AL-KO heavy duty chassis, the Comanche is the largest motorhome in the Auto-Trail range and the perfect dedicated long-range tourer for the Tyco BMW team. Designed to satisfy the needs of a Tyco BMW rider while keeping the luxurious feel and spacious layout, the new Comanche HB incorporates all the best features of its stablemates, however includes a raised island bed providing additional storage with a large garage underneath, accessible from both sides.

International motorcycle racer and Tyco BMW Motorrad team member, Christian Iddon extensively utilised the team's previous motorhome in 2017. As a former caravan owner and now a motorhome enthusiast, he has called the Auto-Trail his home at many BSB races this season. Christian always likes to walk the track first thing in the morning and last thing at night, staying in an Auto-Trail allows him to be close to the track without compromising on comfort or luxury. It's also the perfect place for Christian to relax and unwind after a long day of racing.

"We are thrilled to have teamed up with such a force in the British Superbike roster, Tyco and BMW are two fantastic brands and Philip Neil's team is one of the most recognisable and popular on the circuit; we look forward to working with them further in the coming seasons."
(Russell Hensman, Marketing Manager)

AUTO-TRAIL OWNERS' CLUB

/ CELEBRATING ITS 25TH ANNIVERSARY

Every year the Auto-Trail Owners' Club (ATOC) join together for a huge rally where they celebrate new members, have the pleasure of viewing many Auto-Trail vehicles in one place and enjoy the company of their Auto-Trail friends. This year saw the ATOC's 25th anniversary (1993 – 2018), which is a huge milestone in the club's history.

Auto-Trail's managing director, Dave Thomas as well as all directors and managers of Auto-Trail joined the owners club at the Doncaster

Race Course for evening entertainment on the Saturday night. A raffle was organised where Owner's had the chance to win over 25 excellent, motorhome related prizes in aid of BRACE Alzheimer's research charity.

The 10,000th member of the club, Mr Kim Knight, was also able to attend the weekend after being signed up at the NEC show back in February. He and his wife joined nearly 500 other members for a fantastic meal and an evening of dancing with like-minded motorhomers.

/ A GREAT SUCCESS

ATOC's 25th Anniversary Rally was a great success and enjoyed by everyone who was involved and attended. We would like to thank the ATOC chairman, David Wort for organising this ambitious event and all Auto-Trail owners who attended this year's 25th celebrations.

Visit www.atocuk.com for more information.

Diamondbrite
LEISURE

Auto-Trail is proud to announce a newly formed partnership with UK chemical manufacturer Jewelultra, manufacturer of industry leading Diamondbrite Paint and Upholstery Protection.

Developed and produced in the UK, Diamondbrite is the ultimate Paint and Upholstery Protection for your Auto-Trail. It is a sophisticated two-stage process that provides highly resilient weatherproofing for exterior bodywork. The resulting unique hydrophobic coating protects paintwork from long-term exposure to the elements and makes it easier to keep the vehicle looking its best. The interior fabric formulation protects carpet and seat upholstery, making it highly stain resistant and helping keep the cockpit and living areas in excellent condition.

/ HOW DOES IT WORK

1. If your paintwork was magnified it would reveal small pores in the surface.
2. Road traffic dirt gathers in the pores and attacks paintwork.
3. Your first Paint Protection application cleanses and fills pores in the vehicles paintwork leaving a smooth finish that cannot be penetrated.
4. Your second application bonds with the first to create a hard protective skin. It leaves a high lustre finish that rain and dirt cannot penetrate.

/ EXTERIOR

- ✓ Nano-Ceramic Technology
- ✓ Fade Resistant
- ✓ Never Polish Again!

/ INTERIOR

- ✓ Easy to Clean
- ✓ Stain Resistant
- ✓ Lifetime Guarantee

Issue 1 October 2018

Date & accuracy: The contents of this publication are as accurate as possible at the time of going to press (Oct 2018), but this brochure should not be regarded as an infallible guide to current specifications, nor does it constitute an offer for the sale of any particular vehicle. Details of performance, dimensions and weights are subject to minor deviations within factory tolerance limits (max +/- 5%).

Specifications & discrepancies: Auto-Trail VR Limited reserves the right to continually alter product or equipment specifications, prices and model ranges as materials and conditions demand, including during the course of a model year. This may affect the appearance, mass in running order and other specifications, and therefore some discrepancies may arise between the published information and the model supplied. Colours shown in our brochures are representative only. Please note, this brochure is only a guide. For the latest information on our motorhomes please visit our website www.auto-trail.co.uk.

Optional extras: Photographs may show vehicles fitted with optional pack(s), other optional extras and may contain photography props not included in the standard specification of the vehicle. Optional packs and extras are available at extra cost, quoted in the current Auto-Trail price list. **Conformity:** All motorhomes in this brochure conform to the European Standards for Motorhomes: EN1646-1, EN 721, EN1949 and EN 1648-2. They have also been granted European Whole Vehicle Type Approval to EC Directive 2007/46. We would strongly advise against modifying vehicles in any way that could affect the validity of these Standards or Directives.

Comfort-Matic gearbox: The Comfort-Matic gearbox (if specified) is an electronically controlled manual gearbox that has two modes 'manual' and 'automatic'. In 'manual' mode the driver is responsible for choosing the most appropriate gear depending on the vehicle operating conditions. In 'automatic' mode the gearbox will shift the gears based on the vehicle speed, engine rpm and the pressure applied to the accelerator.

The accelerator must not be used to hold the vehicle on any hill as doing so will cause the clutch to burn out prematurely. For more information on the Comfort-Matic gearbox please refer to the handbook supplied with your base vehicle.

Satellite navigation aid: Your vehicle may be fitted with an audio/visual navigation aid. This navigation aid is designed to assist the driver whilst travelling, and it is not meant to replace a driver's self-judgement as to the suitability of a specific route for their vehicle. Navigation systems must always be used in a manner which does not affect the driver's ability to drive safely, and does not affect the safety of other road users.

Private exporting/importing: Auto-Trail motorhomes are designed and manufactured to operate in a specific country or region, and therefore it is imperative that when purchasing a new vehicle the buyer is fully aware of the design and operating parameters of the product. Vehicles purchased in the UK are not only built to the necessary European Directives and Standards (e.g. ECWVTA – type approval), but are equipped with components that are designed to operate in a typical European temperate climate.

Should a buyer choose to export a registered vehicle from the UK, or purchase a vehicle from a non-aligned dealership outside the UK, it is their responsibility to ensure that any required modifications have been completed to the correct standard, and that the vehicle complies with all legislation of the country in which the vehicle is to be registered. Any equipment that is operated in a country that it is not designed for may not perform correctly and could fail. This equipment may also not be covered by the appliance manufacturer's warranty.

Similarly, Auto-Trail vehicles are designed to be used on normal tarmac roads, with occasional off-road campsite use. Should a vehicle be used outside of these conditions, the vehicle could suffer undue load, stress and ingress of debris, and this could cause damage or failure. This could invalidate any applicable manufacturer's warranty and Auto-Trail will not be held liable for any such damage or failure.

Auto-Trail distributors and retailers: Our distributors and retailers are not agents of Auto-Trail VR Limited, and have no authority to make representations or commitments on our behalf. Please contact us if you require any clarification of any contents in this brochure.

Recycling: This brochure (if in printed form) uses sustainable resources. When you have finished with this brochure please recycle it.
